

INTRO Goals/ Campus-wide Student Orientation LOs:

1. Familiarize incoming students with university resources and academic procedures
2. Increase student knowledge of University mission, culture and campus specific values
3. Acclimate students to the college lifestyle and provide students the opportunity to develop foundational relationships with faculty, staff and student leaders

INTRO Team Mission:

Provide incoming students with a dynamic introductory experience that offers a foundation for life long success. The INTRO team is charged with providing and emphasizing the academic excellence, core values, culture, and traditions of the University while exemplifying professionalism and active stewardship.

Parent and Family

The goal of First Year Experience is to...

Familiarize parents and families with the policies and procedures that govern their student's college experience.

Provide and increased understanding of how to connect their student with University resources to promote student success.

Explain how to recognize the intellectual and developmental growth of your student and play an active supporting role throughout the college experience.
