To do:

- Decide on terminology for Course Info / Registration and Enrollment
- Research other comprehensive university's web terminology for Degree Programs/Programs of Study
- Add link to Banner Web on public site, possibly on the Alumni page.
- Move Request an Academic Transcript from left menu to Forms & Requests page.
- Free Downloads and Technology Services page will need a Related Links section for student technology services offered by other, non-IT, departments, such as Disability Services.
- Research Academic Transitions. Add back to Students left menu once a site has been created.
