## Transfer Course Equivalencies at Gainesville State College

---

The following report, "for reference only," allows you to select a state and an institution to view course equivalencies at GSC. The listing or exclusion of certain institutions and/or courses does not reflect the transferability of course credit. This information is not exhaustive, rather, as new courses are evaluated, they will be added.

**DISCLAIMER:** This is an unofficial evaluation and does not guarantee an award of transfer credit. GSC course equivalents are subject to change upon official evaluation by the GSC Registrar's office.

Course equivalencies will be officially evaluated when you apply for admission. For currently enrolled students, a transfer credit evaluation is done when a new, official transcript is received.

State:

Questions concerning transfer admission requirements, application deadlines, etc., should be addressed to the GSC Office of Admissions by email at: [admissions@gsc.edu](mailto:admissions@gsc.edu)

Questions regarding information displayed on this Transfer Course Equivalencies site should be sent to the Registrar's office via email at: [registrar@gsc.edu](mailto:registrar@gsc.edu)
