### Transfer Course Equivalencies at NGCSU COM\_F03

---

The following report allows you to select a state and an institution to view course equivalencies at NGCSU. The listing or exclusion of certain institutions and/or courses does not reflect the transferability of course credit.

**DISCLAIMER:** This report is for reference only. NGCSU course equivalents are subject to change upon official evaluation by the NGCSU Registrar's office. This report is an unofficial listing of courses that has been reviewed by the Registrar's office. It does not take the place of an official transfer evaluation.

For NGCSU applicants, the official evaluation is done after your admission to NGCSU. For currently enrolled students, transfer credit evaluation is done when a new transcript is received in the Registrar's office.
