For all students as well as adults in the workplace, this system can help you with your career and college planning. When you create your account and sign in, the system will:

- Show you tools and resources that are appropriate to your grade or stage of life;
- Save your work so you can return and pick up where you left off;
- Provide you with a lifelong portfolio to help with future career transitions;
- Make suggestions based on your previous work.

You can also use your account at any Xap-powered web site. Creating an account is easy and painless.
