## 2.3 Performance Assessment of Presidents

[Print friendly](#) [Email or share](#)

It is the intent of the Board of Regents that evaluation of the presidents shall be an ongoing process, which consists of open communication between the Chancellor or the president's supervisor and the president on both individual and institutional goals and objectives, as well as on the methods and processes used to achieve them. Evaluations will be factored into the annual appointment renewal for each president (BoR Minutes, September 2006).
