

COLLEGE AND UNIVERSITY BUSINESS ADMINISTRATION (CUBA)

Look for the seventh edition of NACUBO's *College and University Business Administration* to be released in stages over the next three years. Considered by many to be the 'bible' of higher education administration, this publication is a must-read for anyone involved in the business-side of colleges and universities. Sponsors of this huge work will benefit from multi-year exposure to the entire NACUBO audience.

Individual chapters of this new edition will be released as eBooks as they are developed, then compiled as a single volume upon completion. Organizations are welcome to sponsor individual chapters. Here are the chapter titles for the next edition.
