Georgia ONmyLINE Programs

- [GeorgiaONmyLINE](#) initiative provides access to a full array of online and distance education offerings from the 35 colleges and universities in the University System of Georgia.
- UNG is accepting applications for the [Master of Education in Middle Grades Education with Concentrations in Math and Science](#).

Notice Regarding Online Offerings

Recently enacted federal regulations requiring enforcement of state laws regarding the delivery of distance education degrees, programs and courses to students whose physical presence is in a state other than Georgia may limit UNG's ability to offer online opportunities to these students. If you wish to enroll in one of our online offerings and are located in a state other than Georgia, please inquire before applying to determine if we have acquired permission to offer online courses in your state. You may email your inquiry to onlineapproval@ung.edu. This email address is exclusively for questions regarding state approval of online offerings. Other inquiries should be directed to the academic department offering the online program.

International students requiring an F1 student visa to attend the university should not apply for completely online programs.
